

IN LESS THAN THREE WEEKS THE VOTERS OF THIS RURAL PUNGO AREA WILL BE GOING TO THE POLLS TO MAKE THE MOST IMPORTANT DECISION OF THE DECADE.

WILL WE TURN THE DISTRICT OVER TO A YOUNG, BLACK ATTORNEY FROM THE BAYSIDE AREA WHO KNOWS NOTHING ABOUT THE AREA JUST BECAUSE SHE HAS BEEN CLEVER ENOUGH TO HOOK UP with a car dealer WHO IS SPENDING A MILLION DOLLARS TO GET HIMSELF A TRIP TO WASHINGTON DC. (THE JOB ONLY PAYS 200,000)

IT HAS BEEN AN EDUCATION TO ATTEND DEBATES BETWEEN BARBARA HENLEY AND TOYNA BULLOCK. I HOPE SOME OF YOU HAVE ATTENDED IF NOT LET ME ASSURE YOU WE CAN KISS GOOD BYE THE AGRICULTURE RESERVE PROGRAM, THE GREENLINE, ANY HISTORICAL RESTORATION,, CLEAN WATERWAYS, ENVIRONMENTAL PROTECTION, ECONOMIC DEVELOPMENT, GOOD RELATIONS WITH OCEANA ,25 YEARS OF EXPERIENCE AND IMPECCABLE CARE OF THIS RUKAL VA. BEACH.

BARBARA HENLEY:

- * Has never missed a council meeting... unless you count the time she was late because of helping to bring a grandchild into the world.
- * Is the only Independent in a field of republicans on the CITY COUNCIL. Barbara says she has never seen a republican road or a democratic school. Remaining an independent allows her the liberty to vote as a clear thinking city representative not owned by special interest groups or strictly for profit developers
- * Barbara is the researcher and brain power on the council who is relied upon by many on board to keep them current.
- * Has worked tirelessly to restock the funds in the Agriculture Reserve program after it was savaged by her predecessor.
- * Has been responsible for the two spotlights on Elbow

and West Neck Rds and the work finally beginning on NIMMO. Parkway , and New Senior CENTER in pungo library site.

She continues to live simply in her small home across the street from her farm. She continues to make herself available to all VA. BCH. Citizens and work long hours into the night for the city she loves.

Can we take a chance on losing this guardian of our environment, our open spaces ,our treasured gift of a still pristine rural landscape?

DON'T ASSUME BECAUSE SHE ALWAYS WINS, SHE WILL AGAIN.

PLEASE HELP HER ON NOVEMBER 2ND it could be your last chance.
